

TRAVELING PLANETARIUM

Price Guide* For Hourly Events

Program cost is based on the amount of time the planetarium will be at your event. Since most hourly events aim to maximize the audience who can experience the planetarium, we typically run two 20-minute programs per hour in our 6-meter** dome. (If your needs are different, please contact us to discuss the possibilities.) If exhibit space is limited, we can bring our 5-meter** planetarium, but pricing is the same.

Hours of programs	Price
1	\$350.00
1.5	\$450.00
2	\$550.00
2.5	\$650.00
3	\$750.00
3.5	\$850.00
4***	\$950.00
***Typical maximum number of hours of programs that can be accommodated for a single event, but longer hours or multiple day visits may be possible; please contact us for a price quote if your event exceeds four hours.	

Travel Fees are additional and include travel time (\$60.00 per hour to your location from Frederick, MD, prorated to the nearest quarter hour) and mileage (\$1.00 per mile (one way)). The first hour and first 15 miles are free.

**This is a guide, not a guarantee of final cost. We reserve the right to adjust our prices based on the circumstances of the individual visit. You will receive a total cost of visit before being asked to commit, but not before we have communicated with you directly.*

****The 6-meter dome holds about 50 people** and needs at least 25 feet by 25 feet of floor space and 13 feet of ceiling clearance. **Our 5-meter diameter dome holds about 25 people** and needs at least 20 feet by 20 feet of floor space and 11 feet of ceiling clearance. The domes cannot be set up outdoors.
